The image shows two screenshots of the IBM Cloud interface. The top screenshot is the login page at `cloud.ibm.com/login`. It features the IBM Cloud logo, a 'Log in to IBM Cloud' heading, and a link to 'Create an account'. The 'Sign in with' section shows the 'IBMID' dropdown menu selected, with the email `anugraha.it19@veltechmultitech.org` entered in the adjacent field. A blue 'Continue' button is visible below the email field. There are also links for 'Forgot ID?' and a 'Remember ID' checkbox. The bottom screenshot shows the IBM Cloud dashboard at `cloud.ibm.com`. The dashboard has a dark header with the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Anugraha C's Account'. The main content area is titled 'Dashboard' and includes a 'Create resource' button. Below this, there's a 'For you' section with several recommended resources, including 'Build', 'Get Started with Watson Studio', 'Build a web app with Watson Speech to Text', 'Get started with Watson Discovery', 'Smart Document Understanding Demo', and 'Watson'. Each resource card includes a brief description, a 'Popular' or 'Recommended' tag, and a duration. At the bottom, there are sections for 'User access', 'News', and 'Planned maintenance'.
